In regards to the DOJ requirement, as we understand, this requirement has not changed. I understand that the PDF form says 2nd Quarter however once you enable the features, you can select the drop down arrow and select the 3rd Quarter. Guidance will be coming shortly in regards to the submission date.

Good morning (b) (6)

We have a few questions from the Pacific AOR. Is this new DOJ requirement in addition to the DON Quarterly report or is it one in the same? The PDF form is for 2nd Qtr vs 3rd Qtr. The Word file references 3rd Qtr, however, the data you are soliciting is due to you prior to the end of the 3rd Qtr. Please clarify so we can ensure you receive the right data from PACFLT and subordinate commands. Thanks in advance for your time.

DON FOIA Community,

Please be advised that DOJ is requiring Quarterly FOIA reporting. The DON consolidated submission is due to DNS-36 no later than COB Friday, June 21st.

1. The Echelon I/II's, will coordinate with their subcomponents (same premise as the FOIA Annual Reporting process), consolidate the component data and provide your consolidated component response in the attached format. You may use the attached format to collect your subcomponents data. If you would like the master loader format to assist you in consolidating your responses, please contact our office thru the DONFOIA-PA mailbox or the service line at 202-685-0412, and our team will expedite your request.

2. Include in your final response to the DONFOIA-PA mailbox, the hours and cost to generate your components consolidated report.

For those DON community members fully vested in the DON (NAVSEA) FOIA tracker and management tool, please find the attached SOP on how you can generate this data within the tool. This SOP provides you with visual step by step instructions.

Respectfully,
Robin Patterson
